

Worship Commission Meeting Minutes September 23, 2010, 7 pm

Present: Fr. Casey, M. Granados, B. Gauvin, R. Funte, N. Davidson, S. Miller, C. Buchele, C. Girardot. **Absent:** P. Slavins & ??

Meeting opened with prayer offered by Maria Granados

Education and Formation. Fr. Pat led the formation part by providing copies of the Parish Pastoral Council guidelines, Worship Commission Section. It was noted that these directives are general in character, and that most parishes, being smaller, rely on parishioner members of the Commission to fulfill the duties as spelled out. Here at 'Becket, because we are so large, many of the tasks are divvied up by staff members, and by the Liturgy Planning Team. It was stressed that the Worship Commission provides leadership to the worship experience here, by looking 8-12 months out at liturgies, and by taking on the goals of the PPC and providing realistic objectives to those goals.

Selection of Chair, Secretary and PPC representative: Since two members were unable to be present, and since we are still more in a formational mode, it was decided to hold off providing a chair, etc until the next meeting.

Mass Survey Report: As delineated by the goals and objectives of the Worship Commission last May, a random and occasional survey of the Mass has been conducted, and will continue. The results provided a generally positive response, with nothing substantially overt to note.

Priorities for future meetings: was indicated through the formational piece.

I thought it was a pretty good meeting, all in all!!
