The True Presence

On numerous occasions throughout Church history, God has revealed himself via miraculous visible proof that He is truly present in the bread and wine Consecrated at Mass. There are dozens of documented miracles throughout Church history where hosts were turned into actual flesh and blood, levitated, reflected an image of Jesus, or have manifested supernatural light. Many of these miracles have been witnessed and experienced by the Saints of the Church. Many of these miraculous Hosts of real Flesh or Blood can still be visited and venerated today in churches throughout Europe.

These dozens of miracles are documented in the book, *Eucharistic Miracles* by Joan Carroll Cruz. This important document is a powerful confirmation of one of the greatest mysteries of the Catholic Church: the Real Presence of Jesus Christ in the Holy Eucharist Sacrament of the Catholic Church. It is a must read for all Catholics, especially those that are struggling in the faith especially with regard to this very important Sacrament.

“The Jews therefore strove among themselves saying: How can this man give us his flesh to eat? Then Jesus said to them: Amen, amen I say unto you: Except you eat the flesh of the Son of man, and drink his blood, you shall not have life in you. He that eateth my flesh, and drinketh my blood, hath everlasting life: and I will raise him up in the last day. For my flesh is food indeed: and my blood is drink indeed.”

John 6: 53-56
