God With Us

God with us. Jesus of Nazareth, lying in a manger because there was no room for Him in the inn. Formed in the perfect sinless womb, Mary, our Blessed Mother, in faith, just gave birth to the King of the Universe. Wise men came from countries afar to follow that very unusual star. Who could have imagined then that one day He would turn the world upside down with His new way of thinking about life and about God, miracles upon miracles, and finally His Cross and Resurrection? It is almost too hard to image and too hard to believe this far fetched yet very beautiful story of our redemption.

But our Creator is a God of Divine Surprises and maybe even has a sense of humor along with His pure holiness and perfect justice. This is the same God who made the microscopic dust mites and colossal universes distanced by thousands of light years. The God of Judaism, Islam, and Buddha really don't have a God who "dwelt among us," and walked in our shoes. Too hard to imagine such fabled fiction? But that is exactly what He asks of us - FAITH! And with that FAITH, and Jesus in our heart, tags along great HOPE and perfect LOVE. "*Glory to God in the Highest and Peace to Men of Goodwill ... Unto Us a Savior is Born,*" as the angels sang to the lowly shepherds who witnessed that wondrous night over 2000 years ago. We too should be shouting from our rooftops, "Jesus is Lord!"
