### **Evangelization - We Need to Share Our Faith Story**

We all receive the Holy Spirit in Baptism and become children of God. Through the help of the Holy Spirit we can make our lives a witness of faith.

Touched by Jesus' words to "Go, make disciples, baptize them and teach them," and through His sacraments, we can reach out to spread the faith we have with all those in our lives. Our simple, yet challenging task, is to spread the Good News.

Evangelization means sharing our faith with others through prayer, a kind word, a comforting touch, a smile or sharing a story about how Jesus has touched our lives. In the name of Jesus, we can bring His love, to others. To evangelize is to share the gift of faith we have been given by our Lord and Saviour, Jesus Christ.
