

An Evangelization Moment

Legend tells us of three Travelers who were searching for the One heralded by an unusual astronomical event. We are told they journeyed a long distance in search of this Person of importance. Expecting to find an earthly king, were they disappointed when led to a humble dwelling and an ordinary family? Did they truly recognize the One they were searching for in the face of this baby boy?

What are you searching for? Is it wealth... happiness... health...security? Perhaps like the three Travelers you will find your desires satisfied in unexpected ways. Like the Travelers, seek God in your ordinary life. See His face and hear His voice in the people who love you. Open your heart to the possibility that God is waiting to be found by you so He can begin to satisfy the desires you seek and the ones only He knows are waiting for you.

As you travel through this New Year, may it be filled with love, family and friends and the fulfillment of your desires even in unexpected ways.

Evangelization...just do it.
