A Love Triangle Mystery

Today we celebrate the great mystery of our triune God. To quote our old Baltimore Catechism's definition, "by the Blessed Trinity we mean one God in three Divine Persons." That should clear things up! Seriously, if God were that easy to understand, would He not be God? If God were that easy to understand and relate to from our limited level and vocabulary would there not be a need for saving "faith"? Trinity Sunday is a continuation of the Love poured out throughout the Easter Season and the culmination of His Spirit of Love in last week's Pentecost Sunday.

Just as in Christian marriage when "two become one," wrapped in the love of God, so it is with the Father and Son and Holy Spirit - 3 Persons, bound in Love. Each with the same love and purpose that ALL may be saved by faith in the One sent by the Father. All Three existed from the beginning of Creation. All Three were manifest to us in various ways in different times throughout the history of man. All Three are Love.

This Monday we celebrate another feast of love. It is the love of life and liberty brought to us by all of our forefathers and ancestors who willingly gave of their lives in the wars of this great experiment, the great USA. The tradition of Memorial Day dates back to the Civil War and all of us have a friend, relative or ancestor to thank today! They gave of their lives so that we all may have life. Thank you veterans and thank all of you men and women of service in our armed forces today!

And Thank You God for being Our Father, when we need one. Thank You God for being Our Lord and Savior, because we can't do it without Him. And Thank You God for Your Spirit of Life here on earth to enjoy a foretaste of the Kingdom to come!

"My command is this: Love each other as I have loved you. Greater love has no one than this, than to lay down one's lives for a friend."

John 15: 12-13
