

Essential Evangelization

Welcome Hosts Needed

Are you new to our parish? Or are you a St. Thomas a Becket veteran interested in meeting some of our new parishioners? Do you have the Spirit's gift of hospitality? If so, please join us in this exciting program developed by our Evangelization Commission, the Welcoming Team. This initiative is designed to help our many new parishioners feel more welcome and provide a greater sense of belonging to our great St. Thomas a Becket faith family. If you are single, married, or a family, the Spirit is calling YOU to get involved in this new program as a Host. Yes, we really do need YOU to make this program a success. Duties involve a maximum of about 4 contacts per month, initially via telephone call, and then by sending a follow up welcome card provided by the parish. Leave your name in the Parish Office if you are able to join in this important ministry.
