

Welcome From Your Pastor

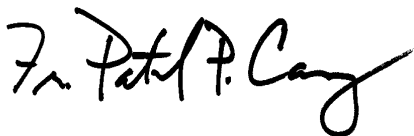

Dear Parishioner,

Our parish mission statement calls us to **serve** all people, to **share** Christ's message of salvation, and thus **spread** the Kingdom of God. I invite you to join us in realizing this vision by sharing your gifts of time, talent, and treasure. By doing so, you fulfill your baptismal call to full, active, conscious participation in the life of our parish and your life as a Christian.

The great Mission of Jesus Christ bids us to love Him with all our heart, mind, body and soul, and so our Parish Pastoral Council, together with our Education, Christian Service, Stewardship, and Worship Commissions, along with our Evangelization Committee, form the foundation for fulfilling this mission. Participation should never be seen as an option for membership in this parish. In my years of ministry I have learned that being actively involved in our faith brings the most benefit to ourselves and others.

I invite you now into the life of St. Thomas a'Becket parish. I welcome you on behalf of the parish staff, who are at your service, and on behalf of our Parish Pastoral Council. We are fellow seekers with you on the road to eternal life!

God bless,
